# Student IT Account

The screenshot shows the SLU Student web interface. At the top left is the SLU logo and the text "Student web Information and service for students at SLU". At the top right are links for "SLU.SE | STAFF WEB | LIBRARY | UDS |". Below this is a navigation bar with "Studies", "Student life", "Support and services", "Rules and rights", and "Library". The "Support and services" link is highlighted. Below the navigation bar is the breadcrumb "student web / support and services / IT support". The main content area has a light blue background with a white rounded rectangle containing the heading "IT support" and the text "Here you will find information about IT support. How to connect the e-mail in the mobile phone. How to manage your prints and everything else regarding support." Below this text are three teal buttons: "Email", "Support", and "Printers and copiers".

# Registration to SLU courses

## REGISTRATION

- ✓ Mobility Team has admitted you to your courses - you must log into Ladok and self-register. If you can't self-register, your teacher can do it on the first day of class.
- ✓ At the first class, you will receive info about course requirements regarding exams and grading.
- ✓ Read the course **syllabus** to find out more about the requirements to pass the course and the grading scale.

## CHANGING COURSES

- ✓ **Very limited.** Send an email to [mobility@slu.se](mailto:mobility@slu.se)

Deadline to request course change is this week.

- ✓ After you contact us, we will let you know if you get accepted in the new course.
- ✓ Important: It is not possible to change the courses in the admissions portal!

# SLU access card and the Mecenat card

## SLU Access Card

- ✓ You will receive an email to pick up your access card from the service center automatically **after you have registered.**
- ✓ Printing, copying, opening doors on campus

## Mecenat card

- ✓ Digital student card – the only one valid in Sweden as a student ID  
<http://mecenat.com>
- ✓ Contact the student union about becoming a member and how to get your card

**\*\*Remember:** you are not eligible for student discounts on the buses/trains until you have a Mecenat card. If you do not have one and you purchase the discounted tickets, you could be subject to a fine if you get caught by the ticket control

# Support for students

On this page, you can read more about student support and university life, to help you get the most out of your studies at SLU.

## Support with your studies

### Support with your studies

We have study and career counsellors to guide you through your time at university. If you have a disability that affects your work, you can apply for study support for students with disabilities.

The library offers course literature, study spaces, help with literature searches and academic writing, and much more. You can access support both via webpages and personalised service.

### Exchange studies and SLU Career

Exchange studies involve spending one or two semesters at one of SLU's international partner universities, giving you the chance to take similar courses in a completely different environment. SLU has exchange agreements with many universities around the world.

As an SLU student, you will always have access to careers advice and support during your time at the university. Guidance and inspiration are available to help you prepare as you make the jump from student life to employment.
