Additional practicalities (for exchange students)

Exams

- On-campus exams are common at SLU. They are written or e-examinations that take place at an exam venue
- You need to register for on campus exams, early. Please read the instructions on how to be able to attend

Grades in Ladok

- Make sure you have received all your grades and download your Transcript of Records and apply with your home university.

Goin'

- Are you curious about who you will be studying with? With Goin', you can reach out to other future students and start building a community even before you arrive at SLU.

Housing

- More information is found on the Studentweb under the heading “Campuses and accommodation”
- Contact Christina at the Housing Office at housing@slu.se if you have questions.

Alumni

- A professional and social network for former students at SLU
- Career Connect

To succeed in your studies
