

Study systems at SLU

Helen Alstergren, Division of Learning and Digitalisation

Helen.Alstergren@slu.se

utb-system@slu.se

The screenshot shows the SLU student website interface. At the top, there's a navigation bar with links for SLU SE, STAFF WEB, LIBRARY, UDS, and SEARCH EMPLOYEE. Below this is a green header with the SLU logo and navigation links: Studies, Student life, Support and services, Rules and rights, and Library. A search bar and a language selector (Svenska) are also present. The main content area features a large banner with the text "Hello SLU students" and a message for new students. Below the banner are two buttons: "New student" and "Late application". A section titled "Log in to my study systems" and "Disruptions and support" contains eight icons representing different services: New student, Student email, Canvas, Courses and programmes, FAQ, Study guidance, Today's lunch, and Incident!. At the bottom, there's a section for "New student? Activate your student account" with a video thumbnail and two buttons: "Activate your student account here" and "Information about the student account".

TimeEdit (schedule and room reservation)

Zoom (video meeting)

TimeEdit

TimeEdit - View schedules and make group study room reservations

LAST CHANGED: 03 JULY 2025

TimeEdit is SLU's system for e.g. viewing schedules and making group study room reservations. Here you will get help getting started with the system.

Log in to TimeEdit

Public schedule search

Manual

TimeEdit is a user-friendly and mobile-adapted system. TimeEdit's web interface for students consists of following two parts:

- **Schedule pages** - View schedules (e.g. course schedule, exam schedule or room schedule)
- **Reservation pages** - Make web reservations (e.g. reserve group study rooms)

Take part of the [manual](#) to get started with TimeEdit.

Zoom

Zoom

LAST CHANGED: 18 JANUARY 2024

With Zoom, you can study with your classmates over video, for example when you have group work.

Zoom will also be used for distance lectures so it is good if you are familiar with the tool.

Please remember to always sign in to Zoom with your SLU account through Single Sign-On (SSO) when you are using Zoom. Type "**slu-se**" in the SSO box.

How do I get access to Zoom?

If you have an SLU-computer you can find the Zoom-client for PC in Software Center, or if you use Mac you find it in Self Service. If you are a student, you can find it here: [studentshareit](#) .

The first time you sign in, you will need to install the Zoom Client on your computer.

Activate Zoom

The first time you want to invite to your own meeting in ZOOM, you need to activate your Zoom account. You only do this once by following the steps below.

1. Go to <https://slu-se.zoom.us> 
2. Select Sign-in
3. You will come to the page for the university's joint web login where you log in (Sign In with SSO). You have now activated your Zoom account.
4. To use Zoom, you also need to install the client. Go to <http://slu-se.zoom.us>  and select the Download Client option at the bottom of the page.

Ladok Student

Ladok Student

LAST CHANGED: 10 APRIL 2025

In Ladok Student you can register for your courses, register for an examination, create certificates and apply for a degree. You can also update your email.

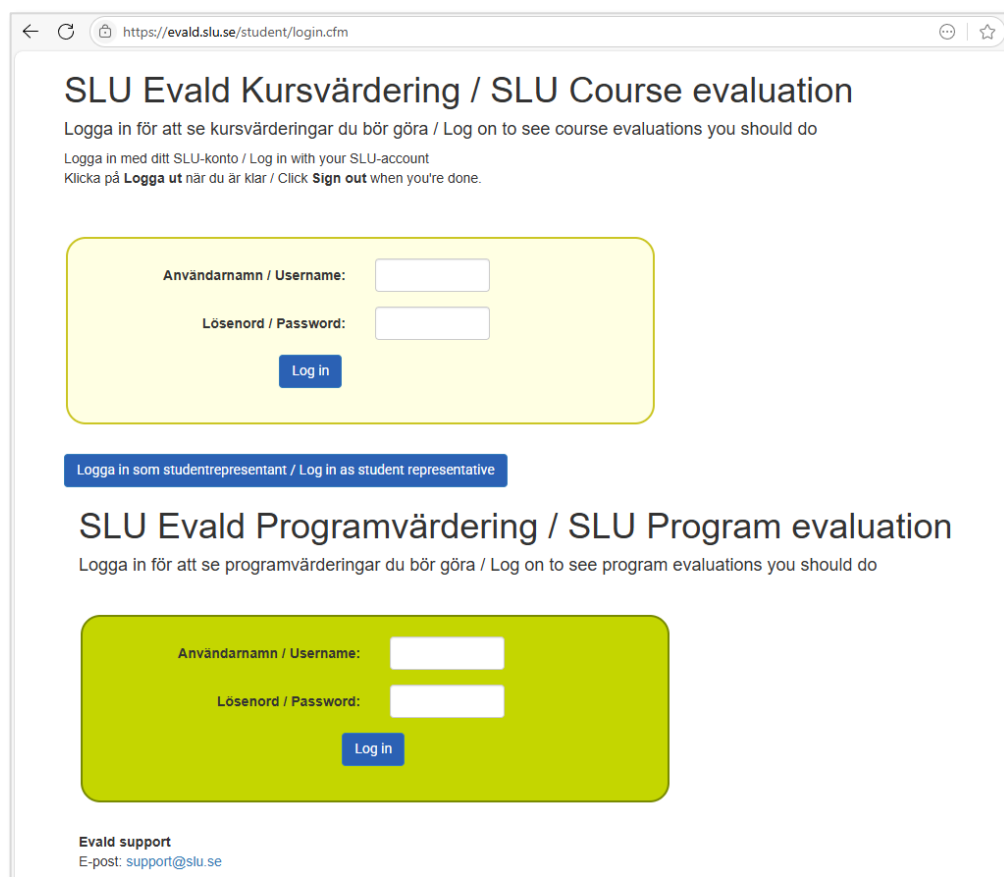

Log in to Ladok Student

Ladok is a national university-wide system for study documentation and study administration. In Ladok's student interface, Ladok Student, you can manage your own study administration.

You can do the following as a student in Ladok Student:

- Find an overview of the courses you are taking.
- Register for an examination.
- View examination results and grades on the course.
- Create certificates for expected participation, registration, results and national results.
- Apply for transfer credits.
- Apply for degree certificate.
- Share information about your degree. Read more how to "Share the certificate" at [Ladok.se](https://ladok.se) .

Evald Evaluation

A screenshot of a web browser showing the SLU Evald login page. The browser's address bar displays 'https://evald.slu.se/student/login.cfm'. The page has a white background with a yellow header section. The main content area is divided into two sections: 'SLU Evald Kursvärdering / SLU Course evaluation' and 'SLU Evald Programvärdering / SLU Program evaluation'. Each section contains a login form with fields for 'Användarnamn / Username' and 'Lösenord / Password', and a 'Log in' button. The first section's form is highlighted with a yellow border, and the second section's form is highlighted with a green border. At the bottom of the page, there is a link for 'Evald support' with the email address 'support@slu.se'.
