

# Short guide how to apply in Swedish at Antagning.se

This document is intended as an aid for non-Swedish speaking students applying to SLU - Swedish University of Agricultural Sciences- in the second admission round, also known as the national round.

Before applying, make sure you have read and understood the differences between applying in the first and second admission round – you will find it all explained at [Universityadmissions.se](https://www.universityadmissions.se) under Key dates and deadlines.

## SLU - Swedish University of Agricultural Sciences

1. If this is your first time applying to Swedish universities you need to start by creating a personal account for the admission system. Follow the instructions under **Log in** on the international website [www.universityadmissions.se](http://www.universityadmissions.se).

If you have applied before, you can skip this first step and go directly to step 2.

## What happens next?

Your selection results will be published on your account at Universityadmissions.se. You can find out when on universityadmissions.se. The results are listed in two places in your account:

- on the 'Application page'
- in a PDF document called Notification of Selection Results - you'll find the link on the 'Application page'.

### **Important!**

For the second round for autumn semester, you must reply to your first Notification of Selection Results before the deadline in order to:

- keep the places you've been offered, are conditionally admitted or
- remain on the reserve/waiting list for the second selection round.
